Learn How to Do Recycling Right at New Regional Recycling Website

Little Rock has made great progress increasing participation in our recycling program, but the current focus is on reducing contamination and there are lots of ways you can learn how to do your part! The new Regional Recycling and Waste Reduction District website and sub-website www.mydoright.com contain easy-to-use information about how to "do recycling right." As always, you can also find valuable information at www.LRRecycles.org including where to dispose of those items outside the
